

Poachers pre 65 Classic Trials Club

Round 6 Club Championship. 28th June 2026

64 riders joined us at South Elkington for our final Championship Trial before our Summer break, The Trial was marked out by David Hird and Harold Allen who were responsible for the first 5 sections with Shane Lockley and me setting out the last 5 at this ever-popular wooded plantation on the outskirts of Louth.

Again, Ian had co-ordinated a full list of observers to man the sections, Jess and Ruby had the quietest of days as they looked after two of the easier sections off the day in comparison too Brenda on section one who asked for an extra pencil halfway through the day!

On putting the results together, its hats off to Katie Ward, John Steeples and Craig Crowfoot for winning their classes on the Expert route, Mark Spencer, Nigel Taylor, and Tom Wheatley took the laurels on the Inter route. Ian Coates, Nigel Hough, and Eddie Cobb took the top three places on the Clubman route with Ian and Eddie on single figures.

Ian Wilkinson drew the observers prize, and the £66.36 donations went to Nicola on section 7.

We have a very informal Saturday trial planned for 1st August at Wrights Farm, North Somercotes (our seaside venue) it will be enter and pay on the day but you will need to contact Errol to reserve a place, his number is 01507 343745, he will be able to give you all the details, its set as an easy event with big bikes in mind.

Thanks again for all the positive postings on the WhatsApp Group, pleased that the day was enjoyable, keep an eye out for information on our next event which should be open at the end of August.

From all at Poachers pre 65 Trials, thank you for your continuing support and let us all look forward to a good summer, see you all in September.
